## WANTED!!

We are looking at appointing an 'Assistant Treasurer' to support our Treasurer. This is a new role, and requires a person to help with the financial side of running our Club.

Duties would include:

- ✚ Sending out standing order forms to new members
- ✚ Checking off payments received against bank statements
- ✚ Monitoring payment and non payment

If you think you can help with this role, please speak to Trevor or Ann to express your interest.

## Trophy Coordinator

*This role has been created to help with the task of ordering, sorting and supplying trophies for our own galas and to deal with the mammoth task of sorting trophies for our Club Championships.*

**ARE YOU ABLE TO HELP!!**

## New Role

*We are creating a new role for one of our Committee to undertake. We are in need of a 'Minutes Secretary' to take minutes and compile the agenda for meetings.*

## From the Team Manager

After much deliberation, I have decided to relinquish my Team Manager duties with Dronfield Dolphins and not put myself forward for re election at the A.G.M.

Over the time I have been Assistant Team Manager and Team Manager I have thoroughly enjoyed watching Swimmers fulfil their goals as athletes and team players, and I have great respect for a core of Swimmers who have never let me down and committed themselves 100% to completing a team sometimes at very short notice. I will be ever grateful to those Swimmers, and hopefully they will carry this commitment on throughout their lives. Thank you to those Swimmers. I have also been very lucky to have had a band of helpers who have made their selves available to travel with the team and offer me support at Galas. Thank you to everyone who has helped.
