### *And Finally!!*

It cannot go without mentioning the efforts by both the Swimmers and the helpers on the night. As part of succession planning, we need to be involving and using the skills of our Parents in helping to run the Club and securing its future. For the Parents who helped for the first time, a BIG Thank You and we hope you enjoyed the Gala, and for the helpers who year after year give their time to help run these events a BIG Thank You.

No Gala is possible without the Swimmers. You gave your all and I must say your behaviour on Poolside was a credit to both yourselves and your Parents. It was great to see you cheering and supporting the other Swimmers, team spirit was out in force on the night. We hope you continue to compete in both Club and Open Galas, as this is the ethos of our Club as a competitive Swimming Club, helping young people reach their potential in Sport.
