### SWIM LEVY

Every year, we have to collect a 'Swim Levy' from each Family to contribute towards registration costs with the A.S.A.

At the last Committee meeting, we discussed rising registration costs, and agreed that we need to make this a Levy chargeable to each Swimmer, not each Family as in the past.

We will continue to collect the Levy Annually on the 1<sup>st</sup> of February each year until further notice.

Therefore, the Levy from February 2006 will be £5 per Swimmer, annually until further notice.

Swimmers in B1, on a 'Pay per Session' arrangement will still be liable for the Levy, as they still have to be registered to allow them to Swim with the Club. These Swimmers will receive an invoice from the Treasurer, requesting payment.
