Dronfield Pool Refurbishment

The pool at Dronfield is due to be refurbished. It will close around April / May 2007 for approximately 12 months.

We have been reassured by the Manager of the pool that he will give us 100% support in finding alternative pool space for our Swimmers. There is no threat to our training schedule, just alternative venues for training. The Club is under no threat of folding. We will keep you updated on progress as we receive information.
