Pool Update

We have had contact from Dronfield Sports Centre to say they are working towards an opening date of 3rd November 2008. Our Committee and Coaching Staff are working on a new timetable for our return to Dronfield, and will relay the new schedule once it has been finalised. As you will appreciate, the move back may suffer teething troubles, but our Coaches are hoping to make the transition as smooth as possible. As soon as we have any more information, we will pass it on. We are aiming to provide new schedules via our web site and E-Mail, with paper copies available on the notice board at Eckington and in our Swim Shop on a Sunday night. May we take this opportunity to thank Parents for their perseverance whilst we have been at Eckington and Chesterfield. Keep your fingers crossed for November!!!

Everyone Welcome

If you are interested in joining our Committee for the Year 2008-2009, please speak to any current Committee member.

We are looking to recruit more Parent Representatives for the forthcoming year. We meet once a Month on a Tuesday night, and discuss various issues surrounding the running of your Child's Swimming Club. This is a great opportunity to get involved.

Please support the Club by attending the above function. Refreshments will be served afterwards, and there will be an opportunity to speak to the Coaches about your Child's progress.
