Club Officials

This is an urgent plea for Parents to step forward to undertake the following courses.

- Timekeeper
- Judge
- Assistant Teachers

The Club is in extremely short supply for these posts, and for us to sustain commitment to supply the above at Galas, we need Parents to come forward. In the 9- 13yrs age group, we have only 3 Timekeepers, and 0 Judges. In order to remedy this situation, we need 10 Parents to take the necessary courses.

This situation is a worry to the Committee, and we plead for your help in filling these posts. Please, please, please help us to take our Club forward and build a pool of Officials.

These are great ways to become involved in your Child's Swimming Club.

And Finally!!!

Another season comes to an end and we have seen many Swimmers develop during the Year, gain many personal best times and achieve their goals. We need to carry this on into next season and build our Club even further.

The Coaches & Committee would like to thank Swimmers and their Parents for all their help during the Year, getting Swimmers to Galas and Training venues and helping in general at Galas etc..

The Committee would like to extend a BIG Thank you to our Coaches for all their hard work & commitment this year, in helping the Swimmers reach their potential and chase their Goals.

We will be looking for New Members to join our Committee at the next A.G.M., which is held in the Autumn. If you are interested, please see a Member of the Committee after the Summer Break.

The next season will hopefully see our Club complete SWJM 21, an accreditation scheme that encourages good practise into the running of the Club. Watch this space.
