We will be shortly sending out forms to update Swimmers details. It is important you update your details on a regular basis. We will be asking for additional numbers in case of emergency, including a Mobile number where you can be contacted. Any changes to Mobile and other numbers must be registered with the Club.

Swimmers safety is paramount to us, and we need to have All information including Allergies, Medicines and Medical Information in case of Emergencies.

Swimmers with conditions requiring medication, need to obtain a Medication form from Helen, as some medicines, e.g Inhalers Steroids, have to be registered with the ASA. Any queries see Helen Franklin
