<b>13yrs Age Group</b>									
Aiden Sahni					13th	1:34.74			

Well Done Swimmers! A big THANK YOU to the  
Poolside Helpers!

The times have been converted to a 25m pool for our records using the pullbuoy time converter - I apologise for any errors!

If anyone would like the 50m times then I will email them on request.  
I also have the user name, password and email address for DE photos who were taking pictures on the day if you need them.

Dave
