Details Updates

You will have received forms requesting that you update your details. These are in your Club Championship entry packs. Can you please return these to Helen Franklin A.S.A.P.

Can we also remind Parents that Swimmers taking regular medication need to register this information with the Club. Any changes to the Swimmers details, e.g new Mobile numbers, Medical conditions, Allergies etc. is essential information that we need in the event of an emergency.

BADGE NIGHT

SATURDAY 22ND DECEMBER 2007

Badge nights are designed for Swimmers from the Lower Squads to update their Personal Best Times. Swimmers compete against each other in their Training session to try and achieve a personal best time for each stroke. Badges are awarded for Swimmers achievements in line with performance tables set by the ASA. This is a great night and a fantastic opportunity for Swimmers to update their times and log their progress.

Times and further Details to Follow shortly.

Christmas Party

The feedback on this was very good. Everyone seemed to enjoy themselves. The Raffle raised £74 on the night. Thank You to everyone who bought tickets and donated prizes.

**The Coaches & Committee at
Dronfield Dolphins
would like to wish Everyone**

A

**Merry Christmas
And a
Happy New Year**
